

HEARTLINE

AUXILIARY NEWSLETTER • JANUARY 2017

MESSAGE FROM THE PRESIDENT

Good-bye 2016! We're already a month into the new year, so if you still have a snowman in your yard, consider putting red hearts on him as Valentine's Day is fast approaching - as is our February Luncheon. Make your reservations now!

Many rounds of applause to all who helped make 2016 a very successful year (see financial report). That includes each of you who worked on our projects and the wonderful ladies who chaired them, and all of you who volunteer in any capacity at Ripon Medical Center. A special thank you to the board members that give so much of their time and expertise to keep the Auxiliary a vital asset to Ripon Medical Center.

Welcome 2017! We've got plans for you!

Sadness and Joy

With sadness we say good-bye to Karen Gross, our volunteer coordinator. She has been a super supporter of the Auxiliary, and a tireless worker on behalf of our volunteers and a friend to all. Our very best wishes in your retirement.

We also say good-bye and congratulations to Katherine Vergos, chief operating officer, as she leaves Ripon Medical Center for her new position as assistant vice president and chief nursing officer at St. Agnes Hospital. Thank you for all your support and promotion of our Auxiliary.

With joy, we welcome Kim Bresser as our new volunteer coordinator. Her smiling face will be easy to spot as she takes on her new role. She's already been making herself a part of our group by becoming a paying member. Be sure to introduce yourself and welcome her to Ripon Medical Center. Kim, we look forward to working with you.

And a warm welcome also to Tami Moffat-Keenlance in her promotion to assistant vice president and administrator for Ripon Medical Center. We look forward to working with you in your new role.

The Ripon Medical Center Auxiliary Board is inviting members to sign up to be a guest at a monthly board meeting. Your attendance will provide you with both a firsthand opportunity to see what the board does on behalf of the Auxiliary and to meet all the board members. Meetings are held from 9 to 11 a.m. on the second Wednesday of each month in the volunteer workroom. Please plan to join us at one of our meetings. Contact me if you are interested in attending.

Jackie Halverson, President

MEMBERSHIP NEWS

Welcome to 2017 - I would like to welcome our newest Auxiliary member Kim Bresser! Kim is also our new volunteer coordinator. The year ahead looks exciting. We are blessed to start celebrating our 75th Anniversary Celebration this year. Various activities are being planned. Our flower basket sale last year was very successful and the baskets were amazing, so, YES, we are doing it again.

It is very exciting to have people active in helping with our projects, and it is SO appreciated.

Here is to a happy, healthy and prosperous new year for our Auxiliary.

Joann Strandell, Chairperson, Membership

VOLUNTEER NEWS AND NOTES

Hello and Happy New Year! For those Auxiliary members who haven't met me, my name is Kim Bresser, and I joined Agnesian HealthCare's Volunteer Service team in November 2016, filling the vacant position stemming from Karen Gross's retirement. I grew up in Ladoga, Wis., (the tiny, unincorporated town between Rosendale and Waupun) and graduated from Laconia High School before studying Public Relations at Northern Michigan University. I worked for 10 years in Public Relations - most recently as the foundation manager for a rural, independent hospital. As a volunteer coordinator, I will be splitting time between Waupun Memorial Hospital and Ripon Medical Center. Outside of work, I volunteer at church on the Children's Education Committee and for the City of Waupun's Downtown Promotions Committee. My husband, Tom, works at (and we live on) his family's dairy farm outside of Brandon. We have a one-year-old son, Aldean, who loves tractors, cows, books and playing peek-a-boo around the house. He keeps us on our toes and has definitely changed our lives!

I'm honored to be working for Agnesian HealthCare and I am excited to meet - and work with - the Ripon Medical Center Auxiliary. I hope to see you at the Auxiliary luncheon on Monday, February 13. Additional luncheon details are included in the newsletter, but please be sure to RSVP to me by Monday, February 6.

In the short amount of time I have worked here - and based on the list of upcoming events - it is evident the Ripon Medical Center Auxiliary is busy! Your hard work and dedication is clearly a blessing to the community and the hospital. Thank you for all that you do!

Here's to an exciting 2017! Please feel free to stop by, introduce yourself and say hi. My office phone number (at Ripon & Waupun) is (920) 745-3670 and my e-mail is bresserk@agnesian.com.

Kim Bresser, volunteer coordinator

RMC AUXILIARY LUNCHEON/MEETING

Our next luncheon/meeting is scheduled for Monday, February 13 in the Ripon Medical Center Green Lake Room at 12 p.m. Our guest speakers for the luncheon will be Drs. Robert Bertram and Sarika Parikh. They are a husband-wife team that both specialize in podiatry (foot and ankle) seeing patients in Ripon and Fond du Lac.

RSVP to Kim Bresser no later than Monday, February 6 at noon by calling (920) 745-3670 or by e-mail at bresserk@agnesian.com. Please indicate if you have any special dietary needs.

READING MATERIAL NEEDED

The Ripon Medical Center Auxiliary is looking for your current gently used magazines and books to share with patients. Crossword and puzzle books are always welcome. Please bring items to the front desk or volunteer workroom to be included on the Comfort Cart.

FINANCIAL REPORT

DECEMBER 31, 2016 - As you can see, most of our activity for the fiscal year is in the first six months. Income for the six months ended December 31, 2016 and is more than half of the whole year's budget. This has enabled us to donate \$20,089 to Ripon Medical Center so far, this year.

We had \$18,084 in cash at the end of December. So, we have the funds for the three \$1,000 scholarships that we will award in the spring, as well as a nice cushion to meet any unplanned needs of Ripon Medical Center.

RMC Auxiliary, Inc. Treasurer's Report - Quarter Ended December 31, 2016

	Quarter Actual	Year to Date Actual	Annual Budget
INCOME			
Fundraising	\$8,684.97	\$9,441.97	\$13,450.00

CASH BALANCES		\$18,084.18	

Bobbie Pollesch, Treasurer

FUND-RAISING REPORT

2016 was another successful fund-raising year for the Auxiliary. We raised 28% more than last year and 26% more than budgeted. Lights of Love and the raffle exceeded expectations. We brought back the Christmas bake sale after trying it in the spring. We had five brat fry fund-raisers in 2016 instead of four. We also had two book fairs and had only planned for one.

The flower basket sale in the spring was new and raised \$882.50. While we planned a mum sale for the fall, it was decided not to do it this year.

Thank you to all who helped to make these fund-raisers a success. We were able to donate \$10,000 to Ripon Medical Center to help with the wellness walkway and \$8,800 for a bariatric stretcher for the Emergency Department. We also donated \$1,289 toward smaller items for Ripon Medical Center. This spring, we will be able to award three \$1,000 scholarships instead of two.

WHAT'S NEW AT RIPON MEDICAL CENTER

We have a lot going on at Ripon Medical Center these days - all exciting developments to help us continue our efforts to grow, and offer as many services as possible at a local level. I'm proud to share with you but a few of these key advancements.

New Leadership

As you most likely are aware, the New Year brought a leadership change at Ripon Medical Center. For the past seven years, Katherine Vergos has been working with a team of dedicated providers and other health professionals to continually enhance the services and technology offered at Ripon Medical Center. Since January 2, Katherine has been serving as the new vice president and chief nursing officer at St. Agnes Hospital. As a result, it is now my privilege to serve as assistant vice president and administrator for Ripon Medical Center.

Ripon Medical Center has been a significant part of my life. I first started with Ripon Medical Center in 1992 as a unit secretary on Medical/Surgical, later moving to the Intensive Care Unit. I then became a weekend hospital coordinator and moved into my most recent current position as director of Inpatient Services (at one point serving as director of the Emergency Department).

As for my educational background, I graduated from the University of Wisconsin - Oshkosh with a Bachelor of Science degree in Nursing, and later completed a Master of Business Administration degree from the University of Phoenix.

I am looking forward to extending the efforts started through Katherine. I look forward to continuing the work she has done operationally and culturally while also aiding hospital associates and providers in successfully navigating through the ever-changing world of healthcare.

Pulmonary Rehabilitation

Ripon Medical Center is now offering pulmonary rehabilitation services. Outpatient pulmonary rehabilitation is designed to assist patients with chronic respiratory disease. It helps to improve pulmonary symptoms, such as shortness of breath, exercise and functional ability, and overall quality of life and comfort. Pulmonary rehabilitation promotes pulmonary health through activity and education. Services at Ripon Medical Center will be Monday, Wednesday and Thursday in the Sports & Spine Center, first floor.

New Nephrologist

Sameer Gupta, MD, nephrologist, is now seeing patients at the Ripon Medical Center Clinic. He sees patients every other Wednesday on the hospital's second floor clinic. Dr. Gupta also sees patients at the main Fond du Lac Regional Clinic in Fond du Lac, St. Agnes Hospital, as well as dialysis patients in Fond du Lac and Waupun. As a nephrologist, Dr. Gupta sees patients with kidney-related illnesses and helps them effectively manage their healthcare needs. assist

Volunteer Services Changes

Ripon Medical Center has welcomed Kim Bresser as the new volunteer coordinator at both Ripon and Waupun. Bresser is a graduate of Laconia High School and earned her Bachelors of Science degree in Public Relations from Northern Michigan University. She worked in Public Relations for 10 years, most recently serving as a hospital foundation manager. She and her husband, Tom, farm outside of Brandon and have a one-year-old son. She takes over for Karen Gross, Ripon Medical Center volunteer coordinator, will retired in early January after being with Agnesian HealthCare for more than 31 years - the last five with Volunteer Services.

Drug Free Communities Support

The Foundation for Ripon Medical Center has given a \$90,000 grant over a five-year period to help fund a part-time facilitator position as part of the Drug Free Communities of Fond du Lac County. This position will help with the following initiatives:

- Develop a consistent working relationship with parents of school age children to encourage ongoing conversation between youth and parents regarding substance abuse.
- Offer Students Taking Action Against Negative Decisions (STAAND) to high school students. This youth area of DFC has been very effective in developing successful programs to engage and educate youth (and many times their parents) on issues of substance abuse.
- Continue facilitation of the development of the Four Pillars. Ripon had a Heroin Summit in November 2015 and an initial Four Pillar meeting in June 2016. Attendees at both were engaged and ready to begin actionable work.

*Tami Moffat-Keenlance, assistant vice president
and administrator, Ripon Medical Center*

COMMUNITY HEALTH EDUCATION

Opioid Addiction

The problem of abuse of, and addiction to, opioid analgesics has emerged as a major issue for the United States in the past decade and has worsened over the past few years. The increases in abuse of these opioids appear to reflect, in part, changes in medication prescribing practices, changes in drug formulations as well as relatively easy access via the internet. Though the use of opioid analgesics for the treatment of acute pain appears to be generally benign, long-term administration of opioids has been associated with clinically meaningful rates of abuse or addiction.

Important areas of research to help with the problem of opioid analgesic abuse include the identification of clinical practices that minimize the risks of addiction, the development of guidelines for early detection and management of addiction, the development of opioid analgesics that minimize the risks for abuse, and the development of safe and effective non-opioid analgesics. With high rates of abuse of opiate analgesics among teenagers in the United States, a particularly urgent priority is the investigation of best practices for treating pain in adolescents as well as the development of prevention strategies to reduce diversion and abuse.

<http://www.sciencedirect.com/science/article/pii/S0376871605001821>

Some common prescription opioids are:

- Oxycodone (Oxycontin, Percodan, Percocet)
- Hydrocodone (Vicodin, Lortab, Lorcet, Norco, Zohydro)
- Morphine (Kadian, Avinza, MS Contin)
- Fentanyl (Duragesic, Fentora)
- Hydromorphone (Dilaudid, Exalgo)
- Methadone (Dolophine)
- Oxymorphone (Opana)

Barb Benkoski, chairperson, community health education

PUBLIC POLICY EDUCATION UPDATE

On December 2, 2016, the Wisconsin Hospital Association (WHA) released its 13th Annual Healthcare Workforce Report. The workforce market is heading towards a crisis. Vacancy rates for key healthcare professionals employed in hospitals are increasing dramatically. Some have tripled over the past four years.

Registered Nurses (RN): 6.2% (nearly doubled since 2012)
Nursing Assistants (NA): 10.1 % (nearly doubled since 2012)
Dieticians: 5.9% (tripled since 2012)
Surgical Techs: 7.1% (tripled since 2012)

In the state of Wisconsin, more than one third of RNs, 40% of LPNs and 43% of certified nurse midwives are over 55. Forty percent of RNs plan to leave the workforce in the next 10 years. RNs have a 13.47% turnover rate annually, lab techs 18.67 and CNAs 23%. This means nearly one fourth of all CNAs will leave within the same year. Wisconsin hospitals and health systems are the number one employer of RNs. A total of 52% of RNs work in hospitals and 18.8% work in ambulatory care. Combined these two account for 71.2% of RNs. "Wisconsin could soon see an unprecedented shortage of key health care professionals," per Steven Rush, WHA vice president, workforce and clinical practice.

The WHA 2016 Workforce Report is available at www.wha.org/pdf/2016workforcereport.pdf.

See the infographic here:
<http://www.wha.org/pdf/2016workforceinfographic.pdf>.

Mark Your Calendar - Advocacy Day 2017 is scheduled for April 19 in Madison

Sandy Krueger, chairperson, public policy education

SEWING COMMITTEE

Hoping all had a blessed and happy New Year and Christmas.

I'm seeking "sewers" to give a helping hand to sew small "tote" bags for the breast cancer patients. In addition, volunteers for help sewing the "walker" bags. These do take a bit longer to assemble only to a seasoned sewer it would not be an issue! The walker bags need to be of heavier material, which I do have on hand. The tote bags that are sewn by the volunteers are given to patients to help them through a difficult time and make their recovery easier. They are greatly appreciated by the patients. One day, hopefully not, one of us could be in the need of a thoughtful gift sewn by a volunteer.

A HUGE THANKS to Jeanne (Nutrition & Food Service) for sewing the small pillows for the breast patients. These will be put together shortly. Also, HUGE THANKS to Diane Smith for sewing the hot/cold rice bags! These have proven to be a big hit in the gift shop, yeah!

I can be reached through any Auxiliary board member or directly at (920) 299-6121. Text is better or by e-mail at lindastellmacher@gmail.com.

Thank you in advance.

Linda M. Stellmacher, chairperson, sewing committee

CHRISTMAS HOLIDAY BAKE SALE REPORT

The Ripon Medical Center Auxiliary's Christmas bake sale was a great success in large part to all the bakers out there who so generously made such a great array of goodies for us to sell. We were totally sold out by noon and made a profit of \$741. The response was amazing and we would like to thank all the people who helped setup the sale and worked the day of the sale as well as all who donated the baked goods - for without you it would have been impossible. I'm sure we will be up to topping this one when Christmas 2017 comes around! Thanks again.

Joan Amend and Audrey Kelma, co-chairpersons, bake sale

BRAT FRY FUND-RAISER

Brat fry fund-raisers are scheduled and we will be ready to go
The holidays are over and hope everyone had a great Christmas and a Happy New Year. Before you know it, it will be time for summer and brat fry events. I will be looking for donations of supplies to keep our cost down and some of you to help work at the brat fry events. "Some of you already know who you are and I will be calling you soon."

The dates for the brat fry fund-raisers are listed below so please mark your calendars so you can make sure to attend and/or support us. Looking forward to seeing you all there.

Saturday, April 15 • Saturday, May 27
Monday, July 3 • Saturday, September 2

Judy Robbert, chairperson, brat fry fund-raiser

75TH ANNIVERSARY CELEBRATION

We were able to let the community know about our milestone with stories in the Ripon Commonwealth Press, program and luncheon at Ripon Medical Center, as well as displays around town and presentations to various groups in Ripon. Thank you to all who have helped with planning: Karen Gross, Barb Behlen, Barb Benkoski, Barb Miller, Joann Strandell, Jackie Halverson, Annette Hopp, Marty Schattschneider, Mary Schieffer, Betsy Blazek, Linda Stellmacher, Pat Phillips and Anita Hoffman. Thank you to Shelly Haberman whose expertise has been invaluable to us.

75th Anniversary living window display during Dickens of a Christmas featuring Marty Schattschneider and Mary Schieffer wearing volunteer attire!

RIPON MEDICAL CENTER AUXILIARY - POLICY UPDATE

SUBJECT: Sunshine Policy

POLICY STATEMENT: When notification is received by the sunshine chairperson/membership chairperson, she/he will recognize significant events which occur in the lives of our membership by sending a card. Any member of the Auxiliary can contact the chairperson to inform them of a member in need.

PROCEDURE: Cards will be sent for the following:

- 1) Send get well wishes/card to auxiliary members who are ill.
- 2) Send condolence/sympathy card to auxiliary member upon the death of a family member. Forward the family member's name to Lights of Love Committee to include a white light on the Lights of Love tree.

3) Upon death of an auxiliary member, send condolence/sympathy card, encourage attendance of members at memorial service and forward the name to the Lights of Love committee to include a white light on the Lights of Love tree.

EFFECTIVE DATE: 11/9/2016

GIFT SHOP

2016, due to your patronage, was another very successful year for the gift shop! Thank you; and come with your friends this new year of 2017. Traditionally the first of the year is slow for sales, but not for us who are busy buying all the items we so hope you will like. Stop by, view what's new and give us your feedback. Hopefully you can find "that perfect gift" or "that special something" for the remaining winter and upcoming spring season.

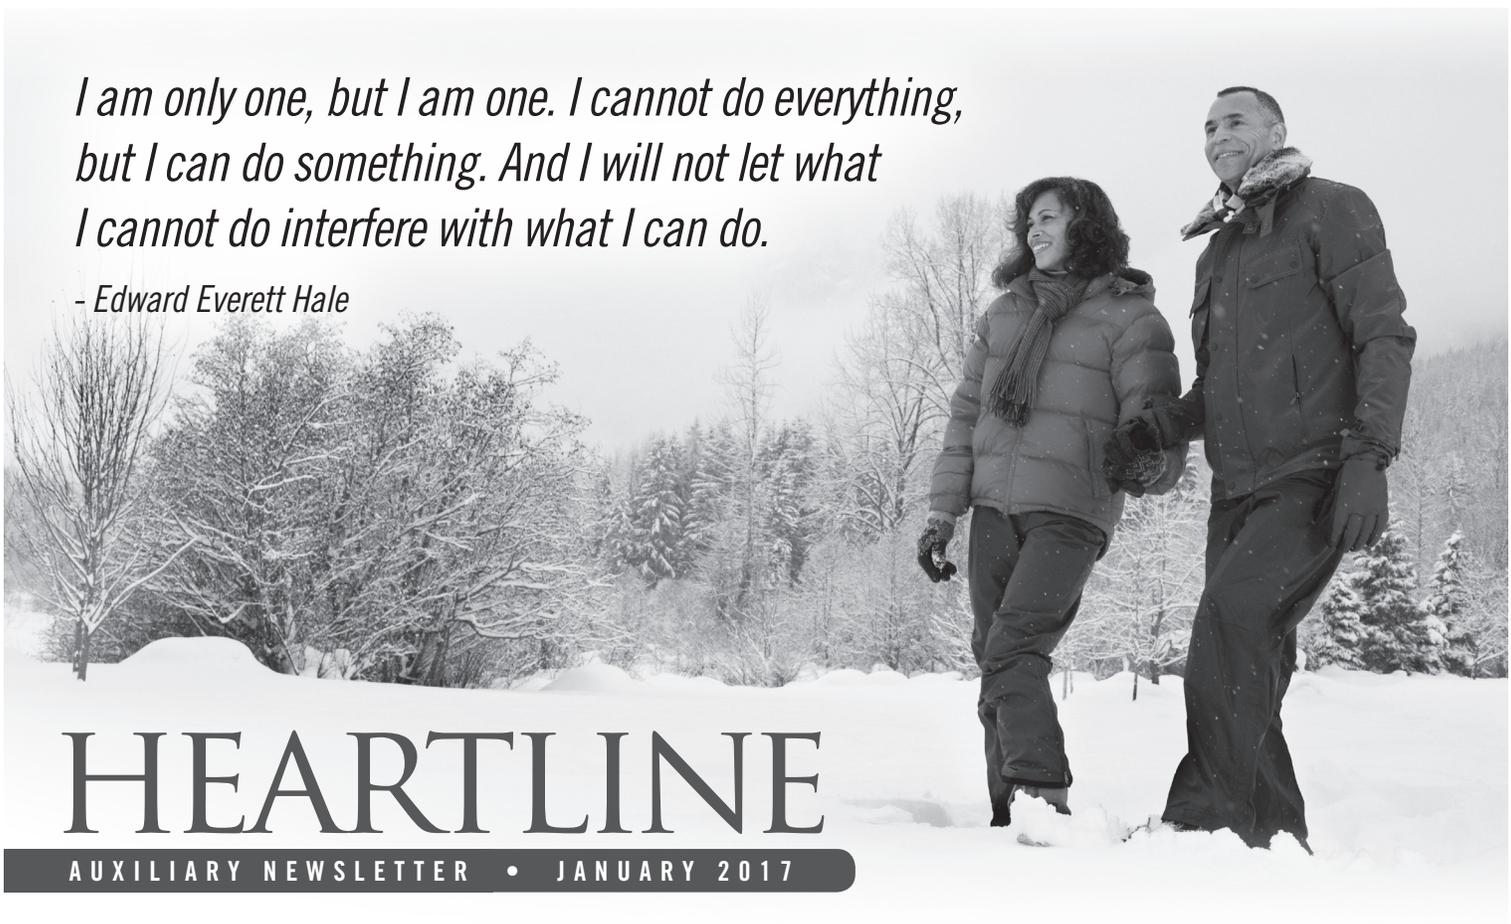

Thanks to all our faithful gift shop volunteers! We look forward to another great year and enjoy seeing you all in the shop.

Mary Schieffer, chairperson, gift shop

*I am only one, but I am one. I cannot do everything,
but I can do something. And I will not let what
I cannot do interfere with what I can do.*
