Agenda at a Glance

- ♦ Employee Health RN, Mary Erickson will begin administering the **flu vaccine beginning at 3:30 p.m.**
- ♦ Members will cast their vote on the proposed scholarship eligibility changes. Ned Wolf will be in attendance to answer questions.
- ♦ A light supper will be provided immediately following the meeting.
- ♦ Items for the annual Women's Health Baby Shower will be collected:

In 2009 our Women's Health department shared with us that often new mothers will come to deliver their babies and have no outfit to take the baby home in, or items to care for the baby once home. Our membership decided to hold a "baby shower" to meet the needs of these moms and babes.

Each September for our general meeting, the Volunteer Partner membership is asked to bring an un-wrapped baby item; clothing, diapers, shampoo, lotion, blankets, etc. to the annual "baby shower". Cash donations are also accepted.

THANK YOU LADIES!

We are looking for volunteers to deliver the Lovelight forms to area businesses and churches., using a hospital vehicle. Contact Tammy for more details.

Each of us can look back upon someone who made a great difference in our lives, often a teacher or a volunteer whose wisdom or simple acts of caring made an impression. In all likelihood, it was someone who sought no recognition for their deed, other than the joy of knowing that, by their hand, another's life had been made better.

~Stephen M. Wolf

New Volunteer Position!

On August 10th we began trialing a new volunteer role. Assisting the Surgical staff by escorting patients out to their vehicle after surgery. Staff sees the highest volume of patients on Wednesdays and the 2nd & 4th Fridays. Below are the number of patient escorts completed between the hours of 8:00-11:30:

August 17th	19 patients
August 24th	25 patients
August 25th	23 patients
August 31st	14 patients

As you can see by the numbers this has been a very successful endeavor thus far!
If interested, please contact Tammy.
