## Words of Appreciation

Below is the Howard Young Foundation link to leave a message of inspiration for our wonderful essential healthcare workers.

We invite our volunteers to view those links as part of our essential team and to share with those who might also contribute.

## VHYMC Scholarship Program

Submitted by Katie Grundy, Scholarship Chairman

Although much of our volunteer work has been curtailed this year, VHYMC continues to support our local students by helping to fund their education. Our scholarship awards will total \$17,000 for 2020.

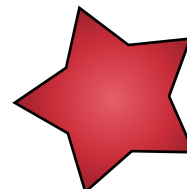

The VHYMC awarded two \$1500 scholarships to LUHS graduating seniors in July 2020. Recipient Lydia Peterson is attending Carroll University and Emma Rose is attending St. Norbert.

In November 2020, VHYMC agreed to fund two \$1000 scholarships to Nicolet College students through the Nicolet College Foundation.

The Dr. Henry Ashe Continuing Education Scholarship is being awarded to six college students who are pursuing degrees in medically related fields. Four of the recipients are undergraduates and two are graduate students. This is the first year that this \$2000 scholarship has been made available to graduate students.

Because of our fundraising efforts in past years and the support of our volunteers and community, our good work can continue.
